

Bare Minimum Requirements

Failure to include any of these items will result in a zero for the assignment:

- A .zip file that contains: 1. Both your GOLD app and your BRONZE app; 2. Live (clickable) links to both the repository and the working app published to github via the gh-pages branch.
- Fully functioning forms in BOTH apps.
- All code follows the best practices of coding. (<http://buildmobile.com/building-a-staff-directory-on-jquery-mobile/>)

Project Rubric

Topic	%	Excellent (100%)	Good (75%)	Fair (30%)	Poor (0%)
Pattern Requirements :: Both Gold and Bronze patterns must be implemented, or no points will be given for the topic.					
Search	10	The Search Feature functions for each page on which it is located.		Some minor problems with semantic elements, appropriate classes or markup, jQuery library usage, or JavaScript. The application still works, but the implementation could be improved.	Any one of: <ul style="list-style-type: none">• Gross pattern mis-implementation• Major markup problems• Non-functional JavaScript• Not enough items• Non-functional links• Either Gold or Bronze is missing
Navigation	10	A fully functioning Navbar that provides links to home, Info or About and any other appropriate location is on each page.			
Item Details	20	Both the One-Window Drilldown and the List Inlay patterns are implemented using semantic elements and appropriate classes.			
Images	20	Two of the Thumbnail Grid and Thumbnail + Text patterns are implemented using semantic elements and appropriate classes.			
Order	15	The News Stream pattern is implemented in one app, using semantic elements and appropriate classes.			
Big Picture Requirements					
Justification	15	The reflection video includes a thoughtful walk-through of each implementation decision for the pattern requirements.	Each pattern choice is explained, but some points seem misunderstood or unclear.	Missing pattern choice explanations, or obvious lack of understanding.	No justification given for choices, or gross lack of understanding.
Investment	10	The design and implementation show creativity and personal investment.		Some lack of creativity or investment.	Little to no attempt at creativity or investment.
Be careful: your Professionalism grade is also affected by your Justification and Investment deductions.
